

Sixth Annual Lamprey River Science Symposium

January 11, 2013

The symposium is supported by the NSF Experimental Program to Stimulate Competitive Research (EPSCoR) program Research Infrastructure Improvement Award # EPS 1101245.

Lamprey River Hydrologic Observatory (LRHO)

- Watershed is a platform to study the hydrology and biogeochemistry of a suburban basin
- Focal point for research, teaching and outreach
- Established in 1999 by McDowell, Davis and Dingman
- 2013 Research Team
 - McDowell (Natural Resources & the Environment)
 - Davis (Earth Sciences)
 - Jacobs (Civil Engineering)
 - Wollheim (Natural Resources & the Environment)
 - Frey (Natural Resources & the Environment)
 - New members?

Serving as a focal point for research and information on water issues in the state and region

The New Hampshire Water Resources Research Center

The New Hampshire Water Resource Research Center (WRRC), located on the campus of the University of New Hampshire, is an institute which serves as a focal point for research and information on water issues in the state and region. The NH WRRC was established under the provisions of the Water Resource Research Act of 1964 (PL 88-379).

Lamprey River Symposium

The goal of the Annual Lamprey River Symposium is to facilitate discussion and collaboration between scientists working in the Lamprey River basin (or relevant basin) and to engage state & local officials, watershed organizations, and concerned citizens into the science and its implications for the entire watershed and on to Great Bay.

2013 Lamprey River symposium

Register by January 7, 2013 at: https://www.events.unh.edu/RegistrationForm.pm?event_id=11397. Agenda (PDF) . For more information contact nh.wrrc@unh.edu.

2012 Lamprey River symposium

The Fifth Annual Lamprey River Symposium was held FRIDAY JANUARY 6, 2012 at the University of New Hampshire in the Memorial Union Building. To view the agenda [click here](#) .

2011 Lamprey River symposium

The Fourth Annual Lamprey River Symposium was held FRIDAY JANUARY 7, 2011 at the University of New Hampshire in the Memorial Union Building.

2010 Lamprey River Symposium

The Third Annual Lamprey River Symposium was held FRIDAY JANUARY 8, 2010 at the University of New Hampshire in the Memorial Union Building.

Don't forget to:

- Sign in at the desk in the lobby
- Complete and return the evaluation form at the end of the day
- Thank Michelle Daley for organizing this event for the past six years!
